Circular Letter No. 439.

June 1, 1907.

To Superintendents.

Gentlemen:--

Accompanying this letter you will find a list of the names and addresses of the teachers approved in recent examinations for the English Graded Certificate. One hundred thirty-five candidates were examined, of whom sixty-eight were approved. In conducting the examination each member of the examining board made a brief written report on the work of each candidate. A consolidated report will shortly be made up from them and each Superintendent will receive a copy of this consolidated report on each teacher of his district who presented himself for examination. Any Superintendent who wishes a copy of the report on any outside teacher who applies for a school in his district may apply to this office for it.

During the coming school year English Graded teachers who have heretofore receive an additional salary of ten dollars per month will be continued at the same rate, but teachers who were approved for the certificate in the examinations of last year and in those of this year will receive an additional salary of five dollars per month.

Respectfully,

R. R. Lutz
Acting Commissioner
